The admirable article on the recent meeting of the National Negro Baseball Conference in our last week's issue from the pen of the Race's greatest Base Ball authority, Mr. Q. J. Gilmore has attracted unusual attention, orders coming from Chicago, Cleveland, Omaha, St. Louis and Pittsburgh for copies containing his very interesting article. The Sun hopes to favor its readers from time to time with articles from Mr. Gilmore, who is easily in a class to himself as a Sports writer.

The year 1920 will go down in history as one of great business advancement among Negroes. The opening of individual lines of business and the establishment of gigantic corporations have increased the activities of the commercial world to magnificent proportions. Scores of new corporations have been formed in every section of the country, and a number of them have been able to announce the subscription and actual paying in of \$100,000, \$200,000, and even more, in good United States money for the promotion of various enterprises, manufacturing, insurance, banking, building, and other lines. A \$1,000,000.00 banking combination corporation, in which leading Negroes in the banking business world are interested, to be opened in New York, has recently been announced. The people of our group are enthusiastic about the opportunities offered in employment and executive positions for our capably trained men and women.

GRAND MENTOR CHINN RENEWS

Glasgow, Mo.
Editor of The Sun:
Enclosed find subscription for the renewal of my subscription to The Sun. I wish you continued success in its publication and a pleasant Christmas. May The Sun continue to shine. I have been confined to bed for awhile, but I am improving nicely.
A. R. CHINN,
Chief Grand Mentor,
International Order of Twelve.

OUTLOOK FOR 1921.

The outlook for 1921 is indeed most encouraging. Co-operation brings success. American Negroes have learned this great lesson, and nothing can separate us in unity of purpose. The greatest strides for 1921 promise to be commercial, but there is not the slightest disposition anywhere to sacrifice anything political. The cry of the Race is: "We must All Work Together and We Will Get Somewhere." By no means of logic or reason can the Race see why all others should be granted all things, while we are denied. Aroused to a thoroughly thinking standard, it cannot be seen why we should make others wealthy while we remain poor. As a great throng we are functioning, and we expect to forge ahead!

We want 5,000 new subscribers by 1921. Will you help us? Send The Sun to your relatives and friends.

Betty & Sam's Little Corner

THEY SAY

—That many a full dress suit covers an empty stomach.

—That most of the family skeletons we hear so much about absolutely refuse to stay in the closet.

—That when a woman accuses a man of flattery it's a pretty sure sign that she wants him to keep it up.

—That the reason some people don't attend the Movies, they can't stay awake under the bright lights.

—That if old King Winter can't force women to wear more clothes what can mere man do? Answer: Nothing.

—That the thing to do is to always listen to advice of others patiently and courteously and then—follow your own.

—That one of the most active workers in a recent revival held in Kansas City operates one of the most notorious flats in the City. It can't be.

—That all the County officers elect are making public their list of appointees, but the name of a single Negro has not been announced as yet. Well it's the same old bunc.

—That the fellows who never do anything themselves can usually be found discouraging any venture started by others. Well if you can't do anything, don't knock.

—That all greater Kansas City is asking "Who are those choir members whom Mary G. Evans flayed so unmercifully last Sunday night?" Don't all answer at once, because it might start a riot.

—Call Fairfax 280 or Fairfax 4422.

Mrs. Theodore Rowan left this week for Steubenville, O., to nurse a cousin who was injured a few days ago.
